

The EU Bioeconomy Strategy update

Dr. Anneli PAULI
DG Climate Action
29.01.2018

The 2012 EU Bioeconomy Strategy & Action Plan

Coherent policy framework

Bioeconomy Strategy

Tackling societal challenges

5 objectives

Still largely relevant

Ensuring food security	Managing natural resources sustainably	Reducing dependence on non-renewable resources	Mitigating and adapting to climate change	Creating jobs and maintaining European competitiveness
------------------------	--	--	---	--

Bioeconomy Action Plan

3 areas of action, including 12 actions & 54 sub-actions

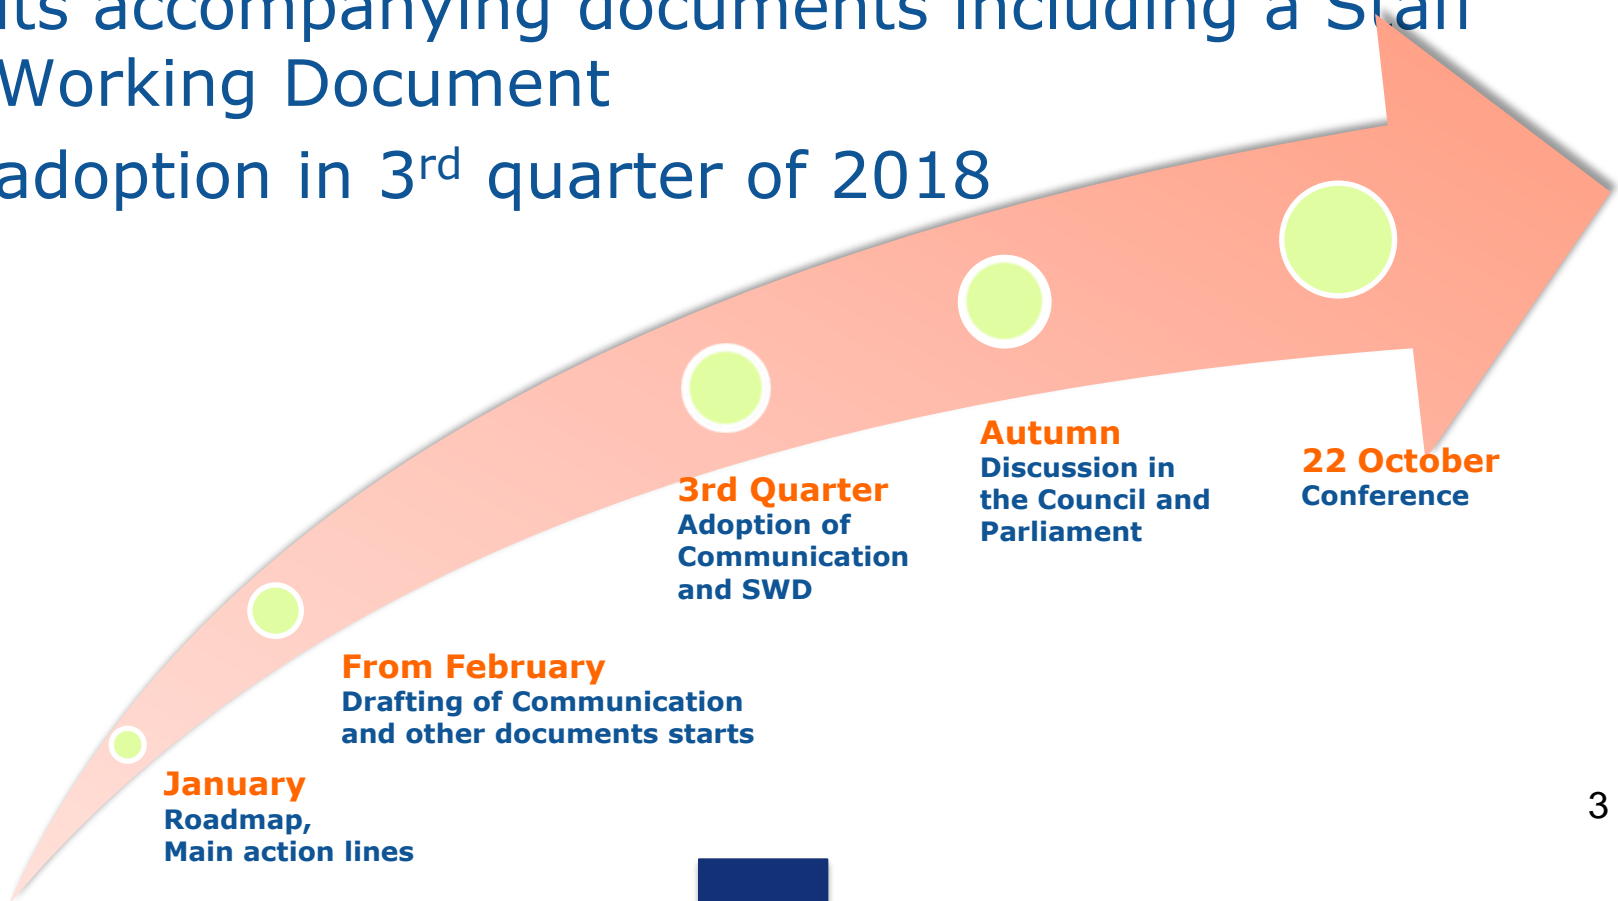

Needs revision

<i>Area 1</i>	<i>Area 2</i>	<i>Area 3</i>
Investments in research, innovation and skills	Reinforced policy interaction and stakeholder engagement	Enhancement of markets and competitiveness in bioeconomy

Coherent policy framework

Documents to update and timetable

- the updated Bioeconomy Communication
- its accompanying documents including a Staff Working Document
- adoption in 3rd quarter of 2018

For discussion

- What does Finland expect from the revision of the EU Bioeconomy Strategy?
- What can Finland (possibly with other Member States) contribute to the EU Bioeconomy Strategy?
